

TOOLS[®]SAFE

The perfect solution for the storage and transportation of tools and equipment - onsite and on the road - **delivered in just 48 hours!**

Our express-delivered ToolSafe[®] Site Security Boxes are manufactured from a high gauge of steel, and feature strong gas struts for safe, effortless opening, ensuring security and safety. The boxes are designed with a fully welded construction and are available in six sizes.

- Made from robust 1.5mm thick mild steel for outstanding strength.
- Fully welded construction ensures superior security for your peace of mind.
- Includes a fixed internal hinge to prevent disassembly and unauthorised access.
- Equipped with a high-security 8-lever safe lock.
- Designed with gas struts for smooth, ergonomic, and safe opening.
- Customise your unit with optional fork pockets or castors for exceptional versatility and mobility.
- Finished with a durable powder-coated dark grey paint for long-lasting resilience.
