

TECHNICAL DATA SHEET

CLIMB-IT® TELESCOPIC WORK PLATFORM

DESCRIPTION

The Telescopic Work Platform is a versatile and certified solution designed for safe access to out-of-reach places. It meets the rigorous standards of EN 131 Professional, ensuring reliability and safety. The platform's unique telescopic feature allows you to extend the working height to reach higher areas efficiently.

FEATURES

- ✓ 550 x 1550mm platform provides for an adequate working space
- ✓ Telescopic feature that extends the working height for the platform
- ✓ Strong aluminium treads with a non-slip plywood surface
- ✓ Adjustable & removable guardrails allow you to get closer to the working area
- ✓ Equipped with braked swivel castors
- ✓ Maximum load capacity of 150kg
- ✓ Certified to EN 131 Professional
